**NOTES**

- All courses are acceptable for use as elective credit, if the regulations of the department offering the courses permit and prerequisites are met. Social Science electives can be at ANY level but must be taken from outside the Psychology department (acceptable departments are Anthropology, Economics, Environmental Studies, Geography, Political Science, or Sociology).
- Eng 116 must have been taken on or after Sept. 2019 to transfer as Engl 135.
- Four second-year Psychology courses must be completed at UVic and some may be pre-requisites for courses at a higher level. Recommend transfer after one year of study at NIC.
- As of September 2017, Bio 102 and 103 are granted separate transfer credit at UVic. Prior to September 2017, students must take both BIO 102 and BIO 103 to receive credit for BIOL 184 and BIOL 186 at UVic. If students choose Bio 110 and Bio 111, then both courses must be taken to receive credit for Bio 150A and 150B at UVic.
