NOTES

- All courses in other Faculties are acceptable for use as elective credit in the Faculty of Science, if the regulations of the department offering the courses permit and prerequisites are met.
- Students are able to complete the first year at NIC and up to 7 second-year courses. When both CHE 200 and 201 are taken it **may** be possible to receive a waiver for UVic CHEM 260 for Chemistry and Biochemistry majors only. Contact UVic Chem Advisor with request.
- English 116 only transfers to UVic if taken on or after September 2019.
- Remaining second-year courses would need to be completed at UVic as pre-requisites for most third-year courses.
- See the 2020/21 UVic Academic Calendar for detailed program information:
