NOTES

- All courses in other Faculties are acceptable for use as electives towards a Bachelor of Arts degree, if the regulations of the department offering the courses permit and prerequisites are met.
- Although NIC offers a range of Sociology courses that transfer to VIU, we do not offer one of the required Sociology courses (SOCI 209). This would need to be completed at VIU once the student transfers. This course may be a pre-requisite for third-year courses.
- All required Year 1 and 2 courses must have a minimum average grade of C+ with no grade lower than C.
- Electives from any Social Sciences discipline and from History are directly supportive of Sociology.
- As a complement to all institution BA degree requirementsm students are encouraged to take 6 credits or more of Mathematics/Sciences (MASC) courses
