NOTES

- All courses in other Faculties are acceptable for use as elective credit in the Faculty of Science, if the regulations of the department offering the courses permit and prerequisites are met.
- Students need to be aware that they are unable to complete some first-year courses at NIC and therefore, this may prohibit students from taking some second-year courses once they transfer to VIU.
- Amongst the electives taken, students must obtain a combination of at least 12 credits from the Faculty of Social Sciences and the Faculty of Management, as approved by the Computing Science Department.
- Credit may only be received for one of ENG 115, 116, or 117.
